

Critical Friends Project Tuning- DNA Detectives

Presenting Group: _____ Block: _____

Critical Friend's Name: _____

1. Did this group effectively keep the theme of the project? (Training materials for the Memphis Police Department) Explain.
2. Did the group present at least 2 pieces of DNA Evidence and at least 3 pieces of other Evidence (non-DNA evidence)? Was this evidence helpful in solving the crime? Explain.
3. Did the group have video recordings in the presentation? Was the recording a good addition to the presentation? If there were no videos, would it make the project better to include a video? Explain.
4. Did you feel like you were a real CSI Detective while you were going through the project? If not, what suggestions would you give to the group that would make the experience more authentic.
5. Was the material on wiki well organized? Did it follow the basic pattern of a crime solving tv show? (ex. crime scene, evidence/witnesses, suspects, prove who committed the crime) Explain.
6. What were some major strengths of the project? (use back if needed)
7. Advice I would give to make this project even better would be: (use back if needed)
